 Oblige, hereinafter called the Oblige, in the amount of Ten Percent  
Dollars (\$ 10%) lawful money of Canada, for the payment  
 of which sum the Principal and the Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally.

WHEREAS, the Principal has submitted a written bid to the Oblige, dated 6th day of September, in the year 2014  
 for Port Blakely Shoreline Dock Test Project (this is not a real project)

The condition of this obligation is such that if the Principal shall have the bid accepted within the time period prescribed in the Oblige's bid documents, or, if no time period is specified in the Oblige's bid documents, within Sixty Days ( 60 ) days from the closing date as specified in the Oblige's bid documents, and the Principal enters into a formal contract and gives the specified security, then this obligation shall be void; otherwise, provided the Oblige takes all reasonable steps to mitigate the amount of such excess costs, the Principal and the Surety will pay to the Oblige the difference in money between the amount of the bid of the Principal and the amount for which the Oblige legally contracts with another party to perform the work if the latter amount be in excess of the former.

The Principal and Surety shall not be liable for a greater sum than the Bond Amount.

It is a condition of this bond that any suit or action must be commenced within seven (7) months of the date of this Bond.

No right of action shall accrue hereunder to or for the use of any person or corporation other than the Oblige named herein, or the heirs, executors, administrators or successors of the Oblige.

IN WITNESS WHEREOF, the Principal and the Surety have Signed and Sealed this Bond dated 5th day of September  
 in the year 2014.
