

## Nada George

Marid Industries

Nada George is a project manager for Marid Industries. She has been with Marid since 2007, starting as junior engineer and then moved to the project management role.

Nada earned the professional engineer and PMP licenses in 2018. She takes pride in using her skills to manage projects, meet client expectations and achieve success at Marid Industries.

She is originally from Egypt, is married with two handsome boys and loves to travel.

Nada was an active member of St. Mena Coptic Orthodox church's board for three years and is still an active member of the St. Mena Coptic Orthodox church engineering committee.
